Claiming His Cub (1Night Stand) Kayleigh Malcolm

Dary, an officer with the Paranormal/Research/Intelligence/Discipline and Education (PRIDE) department of the RCMP, has little time to pursue his personal interests outside of his job. As a dominant bear shapeshifter in his prime, and a taste for slim, trim boy-toys, his preference has brought him to a crossroad—his desire to find a partner to share his life with is overcast by immature males who don't share his interests. When he learns about the 1Night Stand service and Madame Eve's incredible track record for successful matches, he utilizes a rare weekend away from his job to indulge in some much-needed fantasy.

Rhudaii is a unique man in every imaginable way. With an unusually youthful appearance and a little known inherent bombshell of his own, he longs for a deeper connection with a man than just instant gratification. Being an avid romance junkie, Rhoo plans a getaway to a book convention in Ottawa, except surrounded by hundreds of women isn't what he's looking for. Instead, he arranges a date through the 1Night Stand service.

When the men meet sparks fly and the sexual tension soars. Each of them has a secret that could make or break any potential long-term relationship. But, what if they have more in common than they thought?
