Enseñar deleitando. Plaire et instruire (French and Spanish Edition)

Enseñar deleitando. Plaire et instruire (French and Spanish Edition)

Veinte profesores de siete universidades suizas proponen su propia lectura del principio horaciano de enseñar deleitando a través de un mosaico de textos que difieren en la lengua, en el género y hasta en el alfabeto. Los artículos versan sobre las curiosas y amenas enseñanzas de los eximios maestros y de sus cofrades más humildes, las ideas que emanan de autores consagrados y las de otros que se apartan en cierta medida del canon, las versiones e interpretaciones diversas de textos clásicos conocidos, y el juego intelectual al que se prestan textos modernos menos conocidos.

Vingt professeurs de sept universités suisses proposent chacun une lecture du principe horatien plaire et instruire à travers une mosaïque de textes qui diffèrent par la langue, le genre et même l'alphabet. On trouvera dans cet ouvrage des articles sur les enseignements curieux et plaisants de penseurs illustres ou non, sur les idées d'auteurs consacrés et celles d'auteurs qui s'éloignent, dans une certaine mesure, de l'orthodoxie, sur les versions et interprétations diverses de textes classiques ainsi que sur le jeu intellectuel auquel peuvent se prêter des textes modernes moins connus.
