Life of Chopin

Franz Liszt

Life of Chopin Franz Liszt

To a people, always prompt in its recognition of genius, and ready to sympathize in the joys and woes of a truly great artist, this work will be one of exceeding interest. It is a short, glowing, and generous sketch, from the hand of Franz Liszt, (who, considered in the double light of composer and performer, has no living equal,) of the original and romantic Chopin; the most ethereal, subtle, and delicate among our modern tone-poets.
