If you are such a good catch then why are you single? Why are so many good women single? Why do men act the way that they act? Say what they say? Do what they do? Think the way that they think and avoid a long term relationship or marriage with a good woman? At age 33 Author LaDonna M. Smith asked the same questions not only about HERSELF TO MEN but she had conversations which INCLUDED MEN to find out the answers. Those answers made up this book. This is the perfect must have book for women who think they are an ideal spouse, to gain a new perspective which may cause them to do an introspection; and they may ultimately get closer to possibly getting a relationship and/or marriage. Ladies, this is the most female educational, info-tainment book. Men, this is the most non male bashing book ever made. You won't be disappointed.
