Til the End of Time: A Story of Persistence, Love Failure and Success in a Woman?s Life. Slyvia Anthony

Sylvia's story begins with her life as an unwanted child, beaten by her father and ignored by her mother, saved only by the love of God and her grandparents. Next comes her teenage years and first marriage which ended in divorce because of cruelty, but produced three amazing children that she had to raise alone. Later in her second marriage she grew closer to God and was blessed to be able to open up the organization which she leads today. Life hasn't been easy throughout the years, but Sylvia firmly believes that God not only gives her courage during times of hardship, but also keeps her healthy so that she may realize a dream of hers which is to open up a shelter, Sylvia's Haven, in all 50 states
