USA TODAY BESTSELLING AUTHOR Sebastian Bennett is a determined man. It's the secret behind the business empire he built from scratch. Under his rule, Bennett Enterprises dominates the jewelry industry. Despite being ruthless in his work, family comes first for him, and he'd do anything for his parents and eight siblings—even if they drive him crazy sometimes. . . like when they keep nagging him to get married already. Sebastian doesn't believe in love, until he brings in external marketing consultant Ava to oversee the next collection launch. She's beautiful, funny, and just as stubborn as he is. Not only is he obsessed with her delicious curves, but he also finds himself willing to do anything to make her smile. He's determined to have Ava, even if she's completely off limits. Ava Lindt has one job to do at Bennett Enterprises: make the next collection launch unforgettable. Daydreaming about the hot CEO is definitely not on her to-do list. Neither is doing said CEO. The consultancy she works for has a strict policy—no fraternizing with clients. She won't risk her job. Besides, Ava knows better than to trust men with her heart. But their sizzling chemistry spirals into a deep connection that takes both of them by surprise. Sebastian blows through her defenses one sweet kiss and sinful touch at a time. When Ava's time as a consultant in his company comes to an end, will Sebastian fight for the woman he loves or will he end up losing her?
