Beginning: Hidden Biblical Creation Secrets Daniel Williamson

God is not a liar or a deceiver. His spoken Word created the universe. There is no way God's written Word should be in disagreement with scientific facts concerning what He created. If you hear a creation story from the pulpit that does not agree with scientific facts, you are hearing a misinterpretation of the meaning of God's written Word. "Beginning" provides understanding of the Bible concerning creation that is not in disagreement with scientific facts. For the Christian Church to grow and regain its stature around the world, in order to carry out its God-given work, we will need a deeper understanding of creation. Please purchase two copies of this revealing book today and give one copy to your preacher.
