Dark Breath: A Collection of Poetry Keishi Ando

The dark breath which is like inhaling a miasma of darkness, that sometimes brings with it melancholy, despair and insanity. Life and death, love and hatred, “the dark breath’s” collection of poems elicits thoughts of all of these.

The dark world that is Keishi Ando’s own is portrayed within this poetry.

Please drink deeply from the well of darkness contained within these pages, from the author’s own shadowy world.

For without darkness, how can you recognize light?
