Measuring Immigrant Integration: Diversity in a European City (Research in Migration and Ethnic Relations) Peter Reinsch

This text concentrates on the concept of immigrant integration and on the processes to which it refers. The concept of integration is used to explore the various ways in which individual immigrants relate to more indigenous residents of a Dutch city. The aim of the book is help other social researchers systematize and ameliorate the analysis of immigrant integration processes in other cities, with the focus on issues affecting the individual immigrant within an urban environment.
