Shifted Colin D. Jones

Young Mark Arsenault is haunted by a flickering, ghostly figure, and by a bestial presence lurking beneath his skin. As he comes of age, he learns they are far stranger than he could have dared guess; their fates entangled with the fabric of reality itself. Pursued by government agents, Mark struggles to understand his true nature, to save the woman he loves, and to prevent a cosmological catastrophe. To do so, he must become the thing he has always feared most, a creature of Norse myth too terrifying to unleash in this world.
