The Pragmatist and The Dreamer: An Everyday Conversation Sabina Spencer

An everyday conversation between two very different people can either be a source of great frustration or of potential enlightenment. We have the choice to hold on tightly to our own opinions or, seek mutual understanding that allows us to appreciate a higher view. Interestingly, many of us seem to embrace this challenge, full on, and choose to build close relationships with our opposite numbers! This little fly on the wall book captures the difference in perspective, in a variety of conversations, between a Pragmatist and a Dreamer. The opinions are somewhat polarized to add a degree of humor, but there is more than a grain of truth in the positions each takes. We hope you enjoy it and can see some part of yourself in one character or the other, or maybe even both!
