Rocky Rhodes, Maine.

As a fierce snowstorm descends upon the sleepy little town, a Good Samaritan stops to help a catatonic woman sitting in the middle of the icy road, and is never seen or heard from again. When the police find his car, it is splattered in more blood than the human body can hold.

While the storm rages on, the wave of disappearances continue, the victims sharing only one commonality: they are all male. Now it's up to three young women to figure out who or what is responsible: a forensic chemist, a waitress struggling with an abusive boyfriend, and a gamer coping with the loss of her lover.

Their search will lead them on a journey filled with unspeakable horrors that are all connected to a mysterious Woman in White.
