Demigods and Monsters (The Sphinx Book 2) Raye Wagner

Can Apollo's curse be broken?

Seventeen-year-old Hope Nicholas is done running. Apollo's curse has ruled her entire life, limiting her choices and robbing her of the things that matter most. But she refuses to live in fear any longer. In fact, she's ready to do whatever it takes to break the god's power over her existence.

When the goddess Artemis instructs Hope to impersonate a demigod and infiltrate a conservatory to get access to the Olympian library, she doesn't hesitate. As she sees it, there's nothing left to lose.

But once inside, Hope discovers the only way to get what she needs is to work with her sworn enemies. As the lines between demigod and monster are crossed again and again, Hope has to dig deep for the courage to accept her fate or fight for the freedom to save herself.

Demigods and Monsters is the second book in the Sphinx series.
