The wedding's off but the honeymoon is on...

Promise Harbor Wedding, Book 1

Devon can do this. She can show up at her ex-boyfriend Josh's wedding, even though he's marrying her ex-best-friend. She can show everyone she's happy with her fabulous life in Boston, her great career, her amazing shoes — and she can show everyone she's over him.

Truth is, her life isn't so fabulous. She's just been downsized out of her job, her Jimmy Choos won't pay her mortgage, and...she's still heartbroken that Josh chose family over her. The real reason she's enduring this wedding is that her next stop is nearby Greenbush Island, her last hope of finding a new job.

Josh knows marrying long-time friend Allie will make everyone happy after the rough time their families have been through, and since the woman he really wanted to marry chose her career and big city life over him—why not?

But the perfect wedding turns into a perfect disaster when Allie leaves him at the altar for another man. He never saw that coming! But hey, Devon's there, offering to help him look for Allie on Greenbush Island, where he'd planned their honeymoon. Only, all they find there are their old feelings for each other and a temptation to risk their hearts one more time...

Warning: This book contains a firefighter hot enough to ignite flames, a woman who doesn't want to get burned again, a honeymoon suite but no honeymoon, and sex not on the beach (sorry).
