### **Count Dorkula, I Presume?**

A short story with fast pacing and a lot of heart, Count Dorkula follows a greatly misunderstood surgeon and his new assistant as they go from just a very good team to a couple. Unfortunately for them, the jealous staff of their small hospital is not thrilled with this development especially the nurse who had thought that she would be the one to end up with the tall, dark and mysterious doctor.

After the nurse pushes too far and loses her job she sets a whole new plan in action, one that can end up being the difference between life and death unless the brilliant doctor can put the pieces together and get to his lady love's side quickly enough.

### **The Bride Price**

It was almost a perfect wedding. Almost. Judith Price, noted puzzle designer, had finally found the love of her life. Daniel Danvers, quiet and reserved, had finally popped the question, and the arrangements were all but completed, when everything fell apart. Her father, Alistair Price, the noted author and literary critic had been killed, his body found slumped over his writing desk, a letter opener used to end him.

Local sheriff Alan Voorhees has set his sights on Danvers as the prime suspect. But Judith is certain that Daniel could never do such a thing, and now she is in a race with the law. Sheriff Voorhees will arrest Daniel on Monday, but Judith must solve the mystery of her father's death, and identify his killer in the next two days.

She is determined to do so, but at what price is Daniel's freedom gotten?

## **Price of Freedom**

With a shiny new badge, and her decades-old passion for puzzles, it doesn't take the would-be sleuth to start a walk along the dark side.

A boating enthusiast is dead, an apparent victim of poisoning. But is it a case of accidental ingestion, or did someone set out to put an end to the town's preeminent sloop racer?

The town's regatta is only days away. Can Judith bring her skills to bear, and the criminal to justice? There isn't much time.

She can't waste another minute. And neither should you.

This is the second installment of the Judith Price Mysteries. Don't miss a single volume.

## **Memory Bites**

A young boy hovers near death in a hospital room, his overly doting mother at his side and a calming voice that he hears in the mist of his unconscious mind. He recovers and is visited by the mystery woman. The boy goes through some major life changes including being allowed to go to school like regular kids and getting in his first fight. And, as he grows closer to his strange friend more changes keep coming.

The sickly boy grows to be a strong, handsome and successful doctor, full of unlimited promise. But, the only thing he can focus on is how he feels about the woman of his dreams. Like most young couples, they face obstacles to their happiness but how many of those other couples can include the fact that one of them is a very old, natural born vampire?

## **Memories Bite Harder**

Annalisa's quiet but quite resolute refusal of his marriage proposal hung in the air. He tried to ask several questions, all of them meaning the same thing and choked on every word. Finally, tired of his wild, staring eyes and the sound of the panicked thud of his breaking heart, she just sighed and disappeared leaving the room infinitely colder in her absence.

The lovely ghost vampire that he had fallen in love with to the point of nearly throwing away his entire career after being rejected by her was a child killer.

## Memories Fade in the Light of Love

The last book in the Memories Bite series finds Peter Purcival Prescott facing down not only an enemy that he might not be equipped to handle but some information from his past that might be equally difficult to deal with.
