**Billy Graham offers hope and biblical wisdom for today's challenging problems.**

The daily news is jammed with alarming headlines of conflict in the Middle East, economic crisis, and terrorist threats around the world. In *Storm Warning*, Billy Graham — the best-known evangelist of our time — examines today's most challenging problems and adds his voice and perspective to what the Bible says about the storms we are facing... and the storms yet to come.

Since its original publication, Graham has added nearly two decades to his ministry and has lived through several more storms. This completely revised and updated book highlights Graham's recent experiences, insights, and renewed sense of urgency as he examines the book of Revelation in light of current events—and sees prophetic events become reality.

*“Now in the twenty-first century, we see accelerated growth of unrestrained greed and corruption on Wall Street, financial mismanagement in the halls of government, and fraud and perversion at the highest levels of both church and state. While keeping an eye on the showdown that many observers feel may be brewing even now in Europe, the Middle East, Asia, and North America, many people sense the possibility of an even greater unraveling in the world. Can we find any hope in the current world situation? Will there be lasting peace? How should we live in the face of our nation's new challenges and the magnitude of the world's crises? These are important—even vital—questions, and I invite you to come with me as we discover the answers God has given us.”* —Billy Graham
