## **Pescando salmones en Alaska (HQÑ) (Spanish Edition)** Caridad Bernal Pérez

Entrevistada por una periodista local, una bióloga llamada Elisa cuenta su experiencia a bordo del *Zanzíbar II*, un pesquero capitaneado por el atractivo pero antipático Mark. Un hombre que al principio parece estar dispuesto a que no tenga una cómoda estancia por el simple hecho de ser mujer. Este incidente y otros muchos harán que el trabajo de investigación al que está a cargo Elisa transforme poco a poco la suya en una relación peculiar y, a pesar de la reticencia de Mark, surja enseguida la chispa entre ambos.

El tiempo, y algunas personas, irán descubriéndole a nuestra protagonista que la sombra de dureza que esconde el capitán no es más que una coraza. Finalmente se desvelarán todos los misterios que se esconden tras esos silencios entre ambos, mostrándole a Elisa el hombre que es en realidad.
