Public Speaking Tips: Ten Tips to Dramatically Improve Your Public Speaking Dr. Earl E. Paul

Who would like to be a better, more polished public speaker? Most of us if we want to enhance our careers or just feel more confident if we are asked to make an occasional speech or presentation. Public speaking is a skill and like any other skill requires practice as well as a learning curve. However, for those who have no formal training in public speaking and want to know tips that can improve your speaking then this is the article for you.

The author, Dr. Earl Paul, a college professor and professional speaker, conveys ten tips that, if incorporated into your presentations, will dramatically improve your speaking style as well as the perception others will have of you as a more polished and entertaining presenter.

Tips include how to practice effectively, how to use your voice to keep your audience engaged, and how to incorporate stories and personal experiences as well as seven others that will guarantee your speaking progresses. Thus, if you want to gain insight into the field of public speaking then these ten tips are ones you will want to know.
