Schasm (The Schasm Series) (Volume 1) Shari J. Ryan

Chloe Valcourt drifts between two worlds: the dark reality of her domineering mother and feeble father and the vivid fantasy of her imagination. With her condition comes the harsh observation of doctors who intend to cure her of it. But a chance encounter with a handsome and vaguely familiar young man in her dream world hints at the possibility of hidden truths—and a life she can't remember. As her drifts become a greater escape from the cruelty of the real world, Chloe finds herself lost between what is real and what is imagined, questioning her very existence. Can she remain in the lush new imagined landscape to find happiness in a realm of her own invention? Is she doomed to return to the harsh reality of the outside world forever? Or will she become trapped somewhere between the two...unable to return to either?
