The Missing Years of Jesus Dorothy D Boulware

This book is a Christian novel. It is a story of what might have been, a story of the years when Jesus was just a little boy. He grew both physically and spiritually in preparation for his destiny while being taught lessons of life to help him understand the feelings of mankind. Did his unusual birth affect the raising of this child? How much did he understand or suspect what life had in store for him? How was he made aware of the blessings and curses of life physically removed from God? The story is fiction but makes us imagine how God might have prepared His Son to become our SAVIOUR.
