Billionaire Theo Savas didn't need marriage. He'd been there, done that and he wasn't doing it again. Not that it stopped nearly every single woman on the planet trying. Theo wanted space, maybe even a bit of celibacy. So he was furious when he'd just got himself settled in an isolated house on a Greek island—and came downstairs to discover Martha Antonides letting herself in! But forced together, passion overcame them. Eventually, of course, Theo went back to his bachelor lifestyle...and Martha discovered she was pregnant. She knew she couldn't turn to Theo—he was strictly a *no-strings* man.
