Torn to Pieces  
(The Boys of DownCrash #2)

Trying to forget about the promises she was forced to make as a young, naive eighteen year old, Maggie creates a false persona that paints her as the girl who never says no...

However, once she lays eyes on the drummer of DownCrash, everything clicks. From his sexy lip ring to the way he stares at her from the stage, Tatum becomes everything Maggie has ever fantasized about.

When trouble catches up to her in a parking garage after a DownCrash show, and Tatum shows up out of nowhere to protect her. For the first time in years, she is intimidated by a man's kindness and sexiness, and not by his temper and jealousy. As real feelings begin to grow Maggie is faced with her past and wonders if she'll ever be able to escape the promises she once made to keep the promises she wants to make right now.
