Kind of Like Life Christina McMullen

All Renee Ward ever wanted out of life was two things: Good friends to share her love of fantasy and fairy tales, and for magic to be real. When her family moves halfway across the country in the middle of her senior year, it appears as if Renee just might get her wish. With its Victorian homes and quaint downtown, Waterside is almost too good to be true. Not only does she find friends who share her interests, but she also meets a cute guy who seems to have a magical secret or two of his own.

But after a visit from the mysterious Blake Carter, Renee's new utopian life suddenly turns into a never-ending nightmare. The only question is, how much of this is real, and how much is just in her head?
