## **Moving the Classroom Outdoors: Schoolyard-Enhanced Learning in Action** Herbert W. Broda

Since Herb Broda published *Schoolyard-Enhanced Learning*, his groundbreaking first book on outdoor learning, many schools across North America have embraced the benefits of greening their learning programs. Herb has visited dozens of these schools and nature centers, and he showcases the very best examples of schoolyard-enhanced learning in action in his new book *Moving the Classroom Outdoors*, complete with photos of a wide variety of outdoor learning environments.

Designed to provide teachers and administrators with a range of practical suggestions for making the schoolyard a varied and viable learning resource, *Moving the Classroom Outdoors* presents concrete examples of how urban, suburban, and rural schools have enhanced the school site as a teaching tool. Herb focuses on the practical and the specific, including ideas for seating, signage, planting considerations, teaching/meeting areas, outdoor classroom management, pathways, equipment storage, raised gardens, and more. The book also provides an outdoor activity sampler, information on incorporating technology into the outdoor learning experience, and a chapter on the unique concerns of urban schools.

*Moving the Classroom Outdoors: Schoolyard-Enhanced Learning in Action* is filled with examples of model schools, innovative ideas, and inspiring people.
