The Shadow Rises (Witch-Hunter) (Volume 1) K S Marsden

Witches are real, and to be blunt, they're all black-hearted, and evil. These are not wiccans; witches are a different breed that use magic with devastating effect. Charged with stopping the witches, taking whatever measures necessary, there are witch-hunters, all reporting to the Malleus Maleficarum Council (MMC). For hundreds of years witches have been persecuted and when the powerful Shadow Witch rises again, they have their opportunity for revenge. The best the MMC has to offer, the talented seventh-generation witch-hunting Hunter Astley has his own part to play. In his own way.
