## **Bartleby, the Scrivener** Herman Melville

A Manhattan lawyer with a comfortable business, relates the story of the strangest man he has known: Bartleby. At the start of his story the lawyer already employs two scriveners to copy legal documents by hand: Nippers and Turkey. An increase in business leads him to advertise for a third, and he hires the forlorn-looking Bartleby in the hope that his calmness will soothe the irascible temperaments of the other two. At first, Bartleby produces a large volume of high-quality work. But one day, when asked to help proofread a document, Bartleby answers with what soon becomes his perpetual response to every request—"I would prefer not to."
