British Bad Boys Nancy Warren

George Hartley is high on the list of England's most eligible bachelors: he's young, single, gorgeous - and, as the 19th Earl of Ponsford, lives in a castle. Granted, the castle has seen better days...but nights with the Earl are what LA TV producer Maxine Larraby keeps thinking about...Seattle thriller author Meg Stanton desperately needs a quiet place to work. Stag Cottage in the English countryside is perfect...until she meets local pub owner Arthur Denby. He's as dark and brooding as one of her imaginary villains, and Meg always falls for her villains. But there's nothing imaginary about the things Arthur does to her after last call...Former head chef and current love cynic Rachel Larraby can't believe she got dragged across the pond for a catering job. Weddings - ugh, she's had enough personal experience, thanks. And though recurring best man Jack Flynt is quite smashing, she can keep it to just a steamy fling. Until this very bad bloke starts looking at her with those forever eyes.
