Dreams and Awakenings: A short story collection Claus Holm

A peaceful weekend for four college students at the lake ends when the country is thrown into war. A woman is visited in her kitchen by an invisible man. A man wakes up and finds he is the last person left on the planet – because of faith. 29 short stories about tears and scares, about watching horror movies with yourself in the movie, burning down houses and getting a message from your dead child via cell phone. 29 short stories about darkness and light, about love and death, about everything you might find in the borderland between being awake and dreaming...

From reader reviews:

Paul Kline:

In this 21st millennium, people become competitive in every single way. By being competitive now, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the idea for a while is reading. Yep, by reading a book your ability to survive rises then having a chance to stay than other is high. For you personally who want to start reading any book, we give you this particular *Dreams and Awakenings: A short story collection* book as a beginning and daily reading guide. Why, because this book is greater than just a book.

Gregory Holloman:

Reading a reserve tends to be a new life style within this era of globalization. With studying you can get a lot of information that can give you benefit in your life. Together with books everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Lots of authors can inspire their own reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the ability about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of books that exist now. The authors these days always try to improve their proficiency in writing, they also do some study before they write for their book. One of them is this *Dreams and Awakenings: A short story collection*.

Mary Perry:

In this era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become among it? It is just a simple way to have that. What you should do is just spending your time little but quite enough to have a look at some books. One of many books in the top record in your reading list is *Dreams and Awakenings: A short story collection*. This book that is qualified as *The Hungry Slopes* can get you closer in turning into a precious person. By looking upward and reviewing this publication you can get many advantages.

Harry Barnes:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library or make a summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the professor wants, like asked to go to the library. They go there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Books are very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise words say, many ways to reach Chinese's country. Therefore, this *Dreams and Awakenings: A short story collection* can make you experience more interested to read.
