“I get to take off anything I want. Rules are rules. Right?”

Caught in a web of deceit, Caroline must run the race of her life to save her family home. Her reputation as the high society owner of the **#1 stable for Ponygirls** in the world is on the line. And, there's only one man who can help her win.

Edward Hastings is **steamy, passionate and dangerous**. With molten brown eyes and a rock hard body, the notorious playboy could have any woman in the world, but he only wants her. The first time he'd seen Caroline dressed like a pony, he'd been enthralled. Now, nothing will keep him from her.

They strike a deal. He'll train her if she sticks to his rules. But rules were made to be broken. The moment he slides the bit into her mouth, she knows she's in trouble. As he ignites a **fire in her body** and her mind, will she make it through the week without losing her heart to him? Or will she be able to train temptation?

Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
