Body Language: Body Language Training - 27 Essential Steps to Understand and Interpret Body Language Signals (Body language, body language for dummies, body language secrets) Leroy Jackson

Body language is one of the most immediately affecting ways to build trust, take control of situations, make money, and even find love. And yet it's taken for granted in spite of its incredible power. What the subconscious knows and responds to, the vast majority of people never take the time to study and understand.

This in-depth look at the 27 essential aspects of understanding and interpreting body language shows you exactly how to earn respect, instantly know when someone isn't telling the truth, and convince people of just about anything, without ever saying a word.

Here is what you will learn after reading this book:

- What actions to avoid so you're never undermined by a wrong move again
- How to make the first—and best—move on the opposite sex
- Where to look to read the intentions of almost anyone you come into contact with
- When to maximize any and every movement
- Why body language is more powerful than almost any amount of money or good looks
