After proving she can't be left alone, Emily's father sends her to spend her last summer before college at a farm where his new wife learned to become a respectable lady in her youth. It isn't long before Emily learns her summer will be filled with more than milking cows and tending to chickens if doesn't do what he says. After her bottom gets **blistered**, she develops a crush on the handsome owner, who may just have a special interest in her curves. Will Emily find her happily ever after in the most unusual place, or will her **bright red bottom** and constant **naughty behavior** steal it out from under her?
