How I Accidentally Joined the Vast Right-Wing Conspiracy Harry Stein

As a journalist in an industry populated by liberals, Harry Stein carried the left-wing banner in his life and work. Then he became a father, and suddenly the Right sounded right. Even worse, the Left was starting to sound -- and look -- wrong.

Stein cuts through the distortions on both sides and fearlessly tackles such provocative topics as feminism, affirmative action, PC education, gay rights, and sexual McCarthyism, and shows how liberating it is to no longer have to pass as a correct thinker. Daring, brilliantly argued, and savagely funny, *How I Accidentally Joined the Vast Right-Wing Conspiracy* will resonate with many who have witnessed the social revolution of the past thirty years and questioned its outcome -- even if only secretly.
