Do you see a women you like but don't know how to 'break the ice' and start a conversation with her?

Do you 'freeze' around attractive women and don't know what to say to 'spark up' the conversation? Do you want to know how to become the most interesting and charismatic person in any social group you choose to interact with?

Do you want women to feel comfortable around you? Do you want to learn how to avoid ending up in 'the friends zone'? Do you want to make her to feel attracted to you but don't know how?

Do you want her to start chasing you instead of the other way around? Do you want to learn how to get her phone number and a date on the first meet?

Do you want to become a complete person who's not just attractive to women in the clubs, bars or coffee shops, but your family, your friends and everybody else you interact with will like being around you more?

If the answer is YES to at least one of these questions then "How To Get Them Apples" is the right book for you.
