Hypnoparenting for ADHD and Behavioral Issues: Holistic Approach for Self-Healing Neurological conditions (Self-Healing guides for Special Needs Book 1) Kaashvi

Hypnoparenting is one of the best positive parenting approaches available for parents and is of excellent use for parenting children with ADHD and Behavioral Disorders

This book is aimed at bringing awareness about Hypnoparenting which every parent should use for communicating with their children for developing a healthy parent child relationship by bridging the communication gap between parents and their children.

Hypnoparenting is a very simple and effective parenting approach especially useful for parenting special needs children and children struggling with behavioral and emotional issues.

Hypnoparenting runs is similar lines on the age old approach used by our ancestors for instilling values in children through constructive story telling which many grandparents still use in some families across the world.

Hypnoparenting approach can be used independently by every parent at home with little effort for moulding the behavior of their young children by influencing the subconscious mind of the child through repeated positive suggestions.

This book details the process of Hypnoparenting, the kind of preparation required for carrying out a hypnoparenting session, when and how hypnoparenting can be carried out, what should be avoided during hypnoparenting session, how to carry out hypnoparenting session...and much more.

With little effort parents can achieve tremendous results in the behavior or the issues faced by their children by following the hypnoparenting approach detailed in this book consistently in short time independently.

Hypnoparenting is exceptionally useful for parents of children suffering with emotional or behavioral issues like bedwetting, anxiety, fear, anger, bullying, habits, obsessive behaviors, phobias, nervousness, sleep issues, behavioral disorders etc.

Understand the process of hypnotherapy and start moulding your child into a well behaved child right now capable of overcoming all the emotional and behavioral issues ...
