Get your hopes up. Raise your expectations. Your best days are in front of you.

In challenging times, it may be hard to see better days ahead. You may feel as though your struggles will never end, that things won't ever turn around for you.

This is exactly the moment to put your faith into action and expect God's blessings.

It's your time to declare your faith, to look for God's favor, and to give control of your life to Him so that you can find fulfillment in His plans for you!

## ***It's Your Time to believe.***

It's not easy to always be optimistic. Life can be difficult, and in hard economic times it's not just your finances that suffer. Your relationships can be strained. Your health can be stressed. Bad habits can return and negative thoughts can take over.

When one part of your life after another takes a bad turn, you can feel like there is no end in sight, no way out. The truth is, maybe you don't have an answer. But God does! Maybe you don't have the strength. But God does! *It's Your Time* for favor.

In *It's Your Time*, best-selling author Joel Osteen, pastor of the nation's largest church, offers the inspirational truth that no matter where you stand in life, you are never alone. He reminds you also that the bigger your burden, the greater your blessings to come.

You may have neglected God, but He has not abandoned you. He has already released good things into your future. As long as you're breathing, you can still reclaim His favor by renewing your faith and accepting His plans for you.

## ***It's Your Time for restoration.***

Joel offers assurances that God does not want you to merely survive challenging times, He wants you to thrive. When you give your life over to Him, God will send opportunities your way so that you can soar to new heights of fulfillment.
