## **Prey** Michael Crichton

In the Nevada desert, an experiment has gone horribly wrong. A cloud of nanoparticles -- micro-robots -- has escaped from the laboratory. This cloud is self-sustaining and self-reproducing. It is intelligent and learns from experience. For all practical purposes, it is alive.

It has been programmed as a predator. It is evolving swiftly, becoming more deadly with each passing hour.

Every attempt to destroy it has failed.

And we are the prey.

### From reader reviews:

#### Dewey Newkirk:

What do you about book? It is not important along with you? Or just adding material when you require something to explain what your own problem? How about your spare time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have time? What did you do? Every individual has many questions above. They should answer that question due to the fact just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this Prey to read.

#### Lynnette Cash:

People live in this new day of lifestyle always try and and must have the time or they will get wide range of stress from both everyday life and work. So , when we ask do people have extra time, we will say absolutely of course. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to a person of course your answer can unlimited right. Then do you ever try this one, reading books. It can be your alternative within spending your spare time, typically the book you have read is Prey.

#### Lily Tarver:

In this age globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. Typically the book that recommended for your requirements is Prey this publication consist a lot of the information from the condition of this world now. This book was represented how can the world has grown up. The dialect styles that writer value to explain it is easy to understand. Typically the writer made some exploration when he makes this book. Honestly, that is why this book appropriate all of you.

#### Joseph Mack:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Prey can make you really feel more interested to read.
