## **Radical Eye for the Infidel Guy: Inside the Strange World of Militant Islam** Kevin J. Ryan

Are you tired of hearing that Islam is a religion of peace while terrorist plots are uncovered, beheadings of prisoners are broadcast on the Internet, and carnage in Iraq has become routine? Are you fed up with the politically correct whitewashing of the obviously grim realities of radical Islam? Kevin J. Ryan uses sardonic humor and a streak of radical irreverence to expose Islamist ideology for what it really is and to help you develop your own Radical Eye.

Combining the debunking zeal of Thomas Paine's *Age of Reason* with *Mad* magazine's irreverent view of history and politics, Ryan has written the most politically incorrect — and funniest — book on radical Islam that you're ever likely to read.
