Have you been thinking of visiting Russia or any territory where Russian is the common language? Do you want to ensure that you have a memorable experience throughout your stay? Do you want to interact with the locals and have a better experience? Do you want to show off some new skills that you learnt to your friends?

Then learn Russian, before your travel! Whether you are visiting a Russian territory for a short vacation or for a long stay, you must learn how to communicate otherwise you might find yourself bored and frustrated when people seem to laugh when you cannot laugh with them just because you really don't know what it is they are laughing at or about.

If you are serious about speaking Russian, this book is a perfect starting guide to help you start talking the language that the famous Joseph Stalin spoke. Unlike many other books, this book won't bore you with grammar rules that you will hardly remember; you will learn how to speak so as to reduce the amount of time you use learning this powerful language drastically.

By reading this book, you will learn some interesting facts about the Russian language after which I will teach you how to speak Russian in different everyday situations. You will discover how you can speak Russian at the restaurant, how you can speak Russian when traveling, how to speak Russian when meeting new people and lots of other situations. This book will definitely inspire you to start speaking Russian to the Russians you meet in different situations.

Even if the book won't make you as fluent as a native, you will definitely pass whatever message you wanted to pass across when you speak.

This Book Covers Key Topics, Including....

- Communicating Numbers in Russian
- Greetings and courteous words

- Meeting new people
