Time Ship (Book One): A Time Travel Romantic Adventure: The ideal Beach Book for reading on Holiday! Ian C.P. Irvine

Adventure, Conspiracy, Romance, Crime, Science Fiction ...this book has got it all! The most imaginative and gripping time travel thriller you will ever read!

A rip-roaring, page-turning thriller you will not be able to put down!

Who are the terrorists that have taken over an exclusive five star holiday resort in the Caribbean and are holding everyone to ransom?

When it's discovered that one of the 'terrorists' is carrying a disease that could wipe out humanity if it escapes the resort, will the President of America execute the Piras Plan and drop a nuclear bomb on Puerto Rico to incinerate the virus and all who are infected, including the President's nephew?

What is the even more dangerous secret that the terrorists carry, and why must their existence be denied and covered up at all costs to protect the future of mankind?

And when you discover that the story is based upon a *real research project* that the United States government conducted, you will want to learn more, and may even ask 'could this really happen?'

If you ever doubted that time travel was really possible, this book will change your mind!

What People are Saying about "Time Ship"

"A riveting read that kept me on the edge of my seat and guessing 'till the very end! This book has it all - mystery, romance, the past and the future. With brilliant characters and an attention to detail that paints wonderful pictures in the minds eye. It's funny, exciting and extremely clever. I was not able to put this book down, I was constantly eager to see what was coming next. It's a brilliantly written book that left me feeling like I'd been on an adventure."

"I kept wondering how anyone could possibly have thought of this and then woven the story to such an extent that you actually believed that lots of this was fact and not a story at all! The ending was phenomenal and showed a more than fertile imagination. I laughed out loud! The books were read first by my husband who muttered every so often 'This guy is amazing. His writing is so clear, and his imagination is (literally) out of this world.' "

"A brilliant concept - science put across in an easily understandable way and a thrilling read. Packed with thrills, spills (literally!), adventure, history, romance, thought provoking scientific possibilities of time travel and epidemiology. This book crosses so many genres yet contains plenty of fun and humour. A must buy."

NOTE: Book One of Two Parts:

Please note that Book One continues seamlessly into and is concluded in Book Two. This is an excellent way to introduce yourself to this new and exciting author!- If you enjoy Book One, to continue the story you may then choose to download Book Two.
