Wonder Woman : Featuring over Five Decades of Great Covers (Tiny Folio) Gloria Steinem

Since she first appeared in 1941, Wonder Woman's reputation has grown by leaps and bounds. In the notoriously male-dominated field of comic books, her longevity is matched only by Superman and Batman - a testament to her enduring popularity as one of the world's foremost fictional heroines. These 300 spectacular covers - culled from All Star, Sensation, and Wonder Woman - demonstrate why the amazing Amazon from Paradise Island is as popular as ever with both male and female readers.
