“As I’m dozing off, I’m thinking that, before we knew these words, I would bark and pull and my human would yell. Now, he says new words that we both understand. It is a lot easier! He really loves when I walk right next to him and SIT when he stops. I like it too, and it’s really nice that I don’t have to pull him around cause he finally knows where to go! Our friendship is stronger than ever.” (excerpt from A Dog’s Diary; Day 1)
