CARON: Awakening C. J. Teahan

In this book, CARON, a mother shares her experiences and emotions during her daughter's struggles to emerge from a coma and reclaim her life following a closed head injury. The early chapters reflect the author's heavy heart; but she and her family quickly learn that, especially under such tragic circumstances, laughter is essential. It stabilizes the family and also contributes to awakening a comatose patient. This family laughed! Come laugh—and cry—with them as Caron's Mom reflects upon this difficult time in her family's life, while also offering insights that might help other families and friends who shoulder a similar burden.
