The Stone of Immortality has always been kept under the watch of the Draconta. That is, until the betrayal of a Fate. Now, everything is about to change.

Aurora Megalos accepted her destiny without blinking-even if it meant succumbing to her dragon side. Deemed the Progeny, she left the ordinary life she knew and has done everything in her power to learn the ways of her new home and what it means to be part dragon. But when her mentor, Astral, suddenly disappears, she is forced to take the reins with war on the brink. She sets out on an epic journey to find what her arch enemy, Zordon, is after. What she discovers is far worse than she could've ever imagined. She will be tested and pushed to the limit. Lives will be lost, love will be found, and most importantly, a battle will begin.
