**Endocrine Pathophysiology** Dr. Eric I. Felner MD MSCR, Dr. Guillermo E. Umpierrez MD FACP FACE  
*Endocrine Pathophysiology* offers a comprehensive introduction to diseases of the endocrine system. Rather than providing an overwhelming amount of content on one subject, this book serves as a bridge between basic endocrine physiology and endocrine disorders. Included in the text are case studies covering a variety of endocrine disorders in both inpatient and outpatient settings. With the changes in many medical school curriculums to a clinically-based curriculum, this book provides a cutting-edge approach to endocrine pathophysiology.
