## **Labyrinthian** Sunny Moraine

*A hunter should never fall for his prey.*

Still nursing his latest post-mission hangover, bounty hunter Theseus jumps at a high-paying, high-risk job that sounds ridiculously easy. Yet from the moment he nabs the alleged supersoldier with sedative gas, nothing is as it seems.

On the run from the facility where he was created and raised, Taur is desperate to locate his genetically engineered brothers and sisters. To rescue them—and himself—from slavery. Waking aboard Theseus's ship, his fury is tempered by curiosity about his captor.

Despite his doubts about his prisoner, Theseus figures it'd be risky to let Taur go—until they're thrown together by a shared betrayal. They declare a tentative truce as they flee from a shadowy and immensely powerful organization that will stop at nothing to find them.

But as they wrestle with their growing feelings for each other, Taur and Theseus face an even greater danger. A lethal threat lurking inside Taur's own body, waiting to explode...

*A story set in the Line and Orbit world.*

Warning: Contains explicit violence, sex, and gratuitous quippiness.

### **From reader reviews:**

#### **Mary Partee:**

As people who live in typically the modest era should be update about what going on or info even knowledge to make these keep up with the era that is always change and progress. Some of you maybe will update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know which you should start with. This Labyrinthian is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

#### **Daria Gertz:**

Nowadays reading books be than want or need but also get a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The info you get based on what kind of reserve you read, if you want get more knowledge just go with education books but if you want really feel happy read one having theme for entertaining including comic or novel. The particular Labyrinthian is kind of guide which is giving the reader erratic experience.

#### **Royce Britton:**

People live in this new time of lifestyle always try and and must have the free time or they will get large amount of stress from both daily life and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not only a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer will unlimited right. Then do you ever try this one, reading books. It can be your alternative inside spending your spare time, the actual book you have read is actually Labyrinthian.

#### **Keith Reese:**

A lot of guide has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the most effective book for you, science, comedian, novel, or whatever by simply searching from it. It is called of book Labyrinthian. You'll be able to your knowledge by it. Without causing the printed book, it may add your knowledge and make anyone happier to read. It is most essential that, you must aware about guide. It can bring you from one location to other place.
