Psychosocial Treatments (Key Readings in Addiction Psychiatry)

Psychosocial Treatments (Key Readings in Addiction Psychiatry)

The editors of this volume have assembled recent articles discussing elements of each of the several commonly used psychosocial interventions -- including relapse prevention therapy, community reinforcement, voucher-based programs, self-help therapies, and motivational enhancement therapy--in addition to research-based articles that demonstrate the efficacy of these approaches. The selections in this book will provide the reader with a broad overview of the field as well as the specific information needed to use these therapies in a variety of clinical settings.
