The Book of Gabriel (The Adventures of Gabriel Celtic) (Volume 4) J.T. Lewis

Gabriel Celtic is confronted with something that he never thought he would have to deal with...Saving the world! Ancient scrolls found by Gabe's friend Julien Taylor in present-day Iraq have foretold the end of the world, as well as the man tasked with trying to prevent it....Gabriel himself. Presented this unbelievable revelation by his old friend, Gabe is unwilling to accept the massive responsibility seemingly thrust upon him...until the Beast of Biblical prophecy goes after him and his family with a vengeance! Forced against his will to get involved in the farfetched prophecy, his faith is relentlessly tested as he raises a ragtag army to combat the man that calls himself Wolf. Doing so will put everyone he loves in added danger...but to do nothing...risks even more! The End Is Near! J.T. Lewis' epic novel The Book of Gabriel is the fourth in The Adventures of Gabriel Celtic series and reveals Gabriel Celtic's most deadly case...ever! I love, love, LOVE The Book of Gabriel!! JT Lewis' Gabriel Celtic Series is quickly becoming a worldwide phenomenon of heart stopping excitement with imaginative paranormal influences. He continues to bring us his unique style of writing and imagination into this paranormal thriller series! (Author KR Jordan) I've always been a mystery fan, and I can't count the number of books I've read, and I'm truly impressed (with this one). I was lost in this book, which I love. There is nothing better than living in the world of the characters. I'm not sure you're going to be able to top this one...Please say this isn't the last one! (Author Jenna Hodge)
