The Last Striptease Michael Wiley

In his impressive and confident debut, Michael Wiley delivers a thrilling tale about how greed and revenge play out on the streets of Chicago.

Private eye Joe Kozmarski has just been asked to clear his childhood friend Bob Piedras of murder. Bob's latest girlfriend, a young Vietnamese-American beauty, has turned up dead in an airport hotel. No one's very surprised. She had a taste for hard liquor, drugs, and stripping in front of a camera. And Bob has a history of violence. But Bob's boss, retired judge Peter Rifkin, is convinced Bob is innocent and he thinks Joe is the one to find the real killer.

But Joe's life is complicated. He hasn't spoken to Rifkin for fifteen years---ever since his father, now dead, found out that the judge had double-crossed him. The dead woman's brothers, a pair of tough guys, are bent on being the first to find and punish her murderer. On top of that, Joe and his wife have separated and his mother has dropped his eleven-year-old nephew on him. But the more obstacles Joe encounters, the more determined he becomes to see this case through.

Since its beginning, the PWA/SMP Best First Private Eye Novel Contest has accomplished its mission of finding amazing new talent in mystery writing. With vividly realized characters and a page-turning story line, *The Last Striptease* is the latest in what has become a long tradition of excellent crime fiction.
