The New York Stories: Three Volumes in One Collection Ben Tanzer

THE PUBLISHING EVENT NINE YEARS IN THE MAKING. In 2006, celebrated author Ben Tanzer began working on a series of short stories all set in the fictional upstate New York town of Two Rivers, most of them published in various literary journals over the years and eventually collected into the three small volumes *Repetition Patterns* (2008), *So Different Now* (2011), and *After the Flood* (2014). Now for the first time, all 33 of these stories have been put together into one paperback edition, highlighting the long-term planning of themes and motifs that Tanzer has been building into these pieces the entire time. Featuring dark character studies of childhood, middle age, and (lack of) grace under pressure, these stories are considered by many to be among the best work of Tanzer's career, and voracious fans of his short work will surely be pleased and satisfied to have these small masterpieces collected together into one easy-to-read volume. So take a stool at Thirsty's, order another Yuengling, and be prepared to be transported into the black heart of the American small-town soul, as one of our nation's best contemporary authors takes us on a journey across space and time that will not be soon forgotten.
