## **The Sum of the Satisfactions: Canada in the Age of National Accounting** Duncan McDowall

Determined to banish the ravages of the Depression, win the war, and build a better post-war world, Canadian academics and mandarins applied the ideas of Keynes and Kuznets to the Canadian predicament - a highly regionalized nation interested in building a society that harnessed both the private and public sector to the goal of economic stability and increased national wealth. Today, Canadians know that they can trust the numbers put before them by their national accountants, numbers that support the working culture of our economic citizenship.
